CITATION INDEX

YAYINLARI

BAŞKENT ÜNİVERSİTESİ

Başkent Üniversitesi'nin Dünya Bilimine 2014 Yılı Katkıları

2014 yılında Üniversitemizin kuruluşundan itibaren "eğitim ve öğretimde mükemmellik", "araştırma ve yayında öncülük", "toplumsal hizmeti varlık sebebi olarak görmek" temel amaçları dengeli ve iddialı olarak gerçekleştirmeye çalışılmıştır. Ülkelerin bilim ve teknolojiadaki gelişmişliğini ölçmenin en önemli unsurlarından biri uluslararası bilimsel atıf indeksleri olan SCI, SSCI, A&HCI'e giren yayın sayısıdır. Özellikle bu indekslerde yer alan makale sayıları ve bunların aldığı atıflar bilimsel üretim açısından son derece önem taşımaktadır. Aslında, "yayın" faaliyeti bir sonuç olarak, öğretim ve toplumsal hizmet hedeflerinin de gerçekleştirilmesine katkı yapan en önemli kalite ölçütüdür. Bu yönü ile ülkemizde de önem kazanmaya başlayan "üniversite akreditasyon ve sıralama" sistemleri de kullanılmaya başlamıştır. Uluslararası sıralama sistemlerinden Leiden, Webometrics, Times THES ve URAP gibi uygulamaların tümünde yayın en önemli kalite ölçütü olma özelliğini korumaktadır. Başkent Üniversitesi akademisyenleri, kurucumuz Prof. Dr. Mehmet Haberal'ın başlangıçtan itibaren ilke olarak ortaya koyduğu "kaliteyi her konuda olduğu gibi "yayın" konusunda da ön planda tutma" beklentisi ile davranmaktadır. Bu nedenle, indekslenen yayınlar özel olarak izlenmekte ve bir araya getirilerek paylaşılmaktadır.

Dünyadaki gelişmelerin dışında kalmamak da, eğitim, özellikle de yüksek öğretim ile gerçekleştirebilecektir. Bugün ülkemizde; birçok üniversite kurulmuş, bu üniversitelerin büyük bir bölümü Atatürk'ün gösterdiği hedefler doğrultusunda asrın medeniyet düzeyine ulaşmış, hatta bazı konularda dünyadaki ilklerin gerçekleşmesini sağlamıştır. Bütün bunlar, ülkemizdeki öğretim üyelerinin ulaştıkları düzeyin birer göstergesidir. Ülkemizin bu durumunu pekiştirmek ve dünyada ulaştığımız düzeyi daha da geliştirmek, bugüne kadar olduğu gibi, bundan sonra da üniversite öğretim üyelerinin yükseltme ve atanmalarında çağın gerektirdiği kriterlerin kullanılıp uygulanmasıyla mümkün olacaktır.

Ülkemizdeki üniversiteler bilimsel çalışmalarını ve akademik performanslarını her yıl ölçerek göstermektedirler. Bu bağlamda üniversitemizin yayın sayıları ve araştırma düzeyini gösteren bu çalışma ayrıca "Web of Science" verileri kullanılarak üniversitemizin uluslararası indekslerde taranan yayınlarını ve öğretim üyesi başına düşen yayın sayılarını da kapsamlı olarak göstermektedir. Web of Science veri tabanında ağırlıklı olarak İngilizce yayınlanmış dergiler, bildiri kitapları, özgün araştırma makaleleri, tartışmalar, raporlar, düzeltmeler, editör yazıları, kronolojiler, bilimsel toplantı özetleri ve kitap eleştirileri yer almakta ve sosyal bilimler, uygulamalı bilimler, sanat ve beşeri bilimler alanındaki konuları kapsamaktadır.

2015 Nisan ayı başı itibarı ile üniversitemiz kaynaklı tam makale (419), letter (36), editorial material (8), meeting abstract (148), proceeding paper (2), review (17), correction (3), book review (4), biographical item(1) olmak üzere toplam 638 (2 yayının doküman türü hem article hem de proceeding paper olarak görülmektedir. Bu yayınlar çıktığında geriye 636 yayın kalmaktadır) yayın yapılmıştır.

Bunların indekslere dağılımı, Science Citation Index Expanded'da (SCI-exp) 612, Social Science Citation Index'te (SSCI) 62 ve Arts and Humanities Citation Index (A&HCI)'te 5 yayın olmak üzere toplam 679 yayın bulunmaktadır.

Bu yayınların dökümüne bakıldığında; SCI-exp'da 401 ve SSCI'te 37 ve A&HCI'de 2 olmak üzere toplam 440 tam makale bulunduğu görülmüştür. Ancak 21 makalenin hem SCI, hem de SSCI tarafından taranmış olması dikkate alınarak net makale sayısı 419 olarak kabul edilmiştir.

Başkent Üniversitesi'nin Tıp alanındaki SCI yayın öncülüğü son yıllarda Diş Hekimliği, Sağlık Bilimlerinde de sürdürülmüştür. 2012 yılından itibaren de yayın listelerimiz Dünyadaki gelişmelere paralel olarak SCOPUS veri tabanına göre de düzenlenerek, Web of Science indeksleri ile eş zamanlı inceleme alınmıştır.

SciVerse Scopus bibliyometrik araçlarla birlikte araştırmayı izlemeye, analiz etmeye ve görselleştirmeye yarayan; hakemli yayınlardan oluşan en büyük özet ve atıf veritabanıdır. Sanat ve insani bilimler yanı sıra fen bilimleri, teknoloji, tıp ve sosyal bilimler alanında bütün dünyadan 5000'in üzerindeki yayıncının 18,500'ün üzerindeki dergisini kapsar. Scopus %70'i 1996'dan beri yayınlanmış özetler ve oldukça geniş kaliteli web sayfaları ve patent bilgisi olmak üzere 43 milyon kayıt içerir. 2015 yılı başı itibarı ile üniversitemiz kaynaklı tam makale (465), article in press (44), letter (36), review (16), conference paper (25), editorial (2), note(6), short survey (1), erratum (3) olmak üzere toplam 598 yayın yapılmıştır.

Üniversitemiz kurucusu Prof. Dr. Mehmet Haberal'ın belirlediği ilkeler doğrultusunda öğretim elemanlarımızın kendilerini geliştirmeleri için yurtiçi ve yurtdışı her tür bilimsel toplantıya katılımları her yönden desteklenmektedir. Bizlere düşen, "bilimi kendisinde toplayıp Dünya'ya dağıtma" sloganı ile yola çıkan Üniversitemizde yayın ölçütü ile ilgili olarak da geleneksel yerini korumak ve yükseltmektir.

Prof. Dr. Ali Haberal
Rektör

2014 SCOPUS YAYINLARI

BAŞKENT ÜNİVERSİTESİ

Başkent Üniversitesi'nin Dünya Bilimine 2014 Yılı Katkıları

2014 yılında Üniversitemizin kuruluşundan itibaren "eğitim ve öğretimde mükemmellik", "araştırma ve yayında öncülük", "toplumsal hizmeti varlık sebebi olarak görmek" temel amaçları dengeli ve iddialı olarak gerçekleştirmeye çalışılmıştır. Ülkelerin bilim ve teknolojiadaki gelişmişliğini ölçmenin en önemli unsurlarından biri uluslararası bilimsel atıf indeksleri olan SCI, SSCI, A&HCI'e giren yayın sayısıdır. Özellikle bu indekslerde yer alan makale sayıları ve bunların aldığı atıflar bilimsel üretim açısından son derece önem taşımaktadır. Aslında, "yayın" faaliyeti bir sonuç olarak, öğretim ve toplumsal hizmet hedeflerinin de gerçekleştirilmesine katkı yapan en önemli kalite ölçütüdür. Bu yönü ile ülkemizde de önem kazanmaya başlayan "üniversite akreditasyon ve sıralama" sistemleri de kullanılmaya başlamıştır. Uluslararası sıralama sistemlerinden Leiden, Webometrics, Times THES ve URAP gibi uygulamaların tümünde yayın en önemli kalite ölçütü olma özelliğini korumaktadır. Başkent Üniversitesi akademisyenleri, kurucumuz Prof. Dr. Mehmet Haberal'ın başlangıçtan itibaren ilke olarak ortaya koyduğu "kaliteyi her konuda olduğu gibi "yayın" konusunda da ön planda tutma" beklentisi ile davranmaktadır. Bu nedenle, indekslenen yayınlar özel olarak izlenmekte ve bir araya getirilerek paylaşılmaktadır.

Dünyadaki gelişmelerin dışında kalmamak da, eğitim, özellikle de yüksek öğretim ile gerçekleştirebilecektir. Bugün ülkemizde; birçok üniversite kurulmuş, bu üniversitelerin büyük bir bölümü Atatürk'ün gösterdiği hedefler doğrultusunda asrın medeniyet düzeyine ulaşmış, hatta bazı konularda dünyadaki ilklerin gerçekleşmesini sağlamıştır. Bütün bunlar, ülkemizdeki öğretim üyelerinin ulaştıkları düzeyin birer göstergesidir. Ülkemizin bu durumunu pekiştirmek ve dünyada ulaştığımız düzeyi daha da geliştirmek, bugüne kadar olduğu gibi, bundan sonra da üniversite öğretim üyelerinin yükseltme ve atanmalarında çağın gerektirdiği kriterlerin kullanılıp uygulanmasıyla mümkün olacaktır.

Ülkemizdeki üniversiteler bilimsel çalışmalarını ve akademik performanslarını her yıl ölçerek göstermektedirler. Bu bağlamda üniversitemizin yayın sayıları ve araştırma düzeyini gösteren bu çalışma ayrıca "Web of Science" verileri kullanılarak üniversitemizin uluslararası indekslerde taranan yayınlarını ve öğretim üyesi başına düşen yayın sayılarını da kapsamlı olarak göstermektedir. Web of Science veri tabanında ağırlıklı olarak İngilizce yayınlanmış dergiler, bildiri kitapları, özgün araştırma makaleleri, tartışmalar, raporlar, düzeltmeler, editör yazıları, kronolojiler, bilimsel toplantı özetleri ve kitap eleştirileri yer almakta ve sosyal bilimler, uygulamalı bilimler, sanat ve beşeri bilimler alanındaki konuları kapsamaktadır.

2015 Nisan ayı başı itibari ile üniversitemiz kaynaklı tam makale (419), letter (36), editorial material (8), meeting abstract (148), proceeding paper (2), review (17), correction (3), book review (4), biographical item(1) olmak üzere toplam 638 (2 yayının doküman türü hem article hem de proceeding paper olarak görülmektedir. Bu yayınlar çıktığında geriye 636 yayın kalmaktadır) yayın yapılmıştır.

Bunların indekslere dağılımı, Science Citation Index Expanded'da (SCI-exp) 612, Social Science Citation Index'te (SSCI) 62 ve Arts and Humanities Citation Index (A&HCI)'te 5 yayın olmak üzere toplam 679 yayın bulunmaktadır.

Bu yayınların dökümüne bakıldığında; SCI-exp'da 401 ve SSCI'te 37 ve A&HCI'de 2 olmak üzere toplam 440 tam makale bulunduğu görülmüştür. Ancak 21 makalenin hem SCI, hem de SSCI tarafından taranmış olması dikkate alınarak net makale sayısı 419 olarak kabul edilmiştir.

Başkent Üniversitesi'nin Tıp alanındaki SCI yayın öncülüğü son yıllarda Diş Hekimliği, Sağlık Bilimlerinde de sürdürülmüştür. 2012 yılından itibaren de yayın listelerimiz Dünyadaki gelişmelere paralel olarak SCOPUS veri tabanına göre de düzenlenerek, Web of Science indeksleri ile eş zamanlı inceleme alınmıştır.

SciVerse Scopus bibliyometrik araçlarla birlikte araştırmayı izlemeye, analiz etmeye ve görselleştirmeye yarayan; hakemli yayınlardan oluşan en büyük özet ve atıf veritabanıdır. Sanat ve insani bilimler yanı sıra fen bilimleri, teknoloji, tıp ve sosyal bilimler alanında bütün dünyadan 5000'in üzerindeki yayıncının 18,500'ün üzerindeki dergisini kapsar. Scopus %70'i 1996'dan beri yayınlanmış özetler ve oldukça geniş kaliteli web sayfaları ve patent bilgisi olmak üzere 43 milyon kayıt içerir. 2015 yılı başı itibari ile üniversitemiz kaynaklı tam makale (465), article in press (44), letter (36), review (16), conference paper (25), editorial (2), note(6), short survey (1), erratum (3) olmak üzere toplam 598 yayın yapılmıştır.

Üniversitemiz kurucusu Prof. Dr. Mehmet Haberal'ın belirlediği ilkeler doğrultusunda öğretim elemanlarımızın kendilerini geliştirmeleri için yurtiçi ve yurtdışı her tür bilimsel toplantıya katılımları her yönden desteklenmektedir. Bizlere düşen, "bilimi kendisinde toplayıp Dünya'ya dağıtma" sloganı ile yola çıkan Üniversitemizde yayın ölçütü ile ilgili olarak da geleneksel yerini korumak ve yükseltmektir.

Prof. Dr. Ali Haberal
Rektör
